Subject: Newsletter - Bias Incident Response

Good morning Garrigus Suites Residents,

Attached in this email is a newsletter I created talking about bias in our community, as well as some resources for you to look at to continue learning about the LGBTQ+ Community.

As a reminder, our Community Meeting is being held **TONIGHT at 8:30pm in the first floor lounge**. Everyone is welcome to attend the meeting at 8:30pm.

Respectfully,

Sydney
