

Response to Bulletin Board Vandalism - 3-25-22

Subject: Response to Bulletin Board Vandalism

Dear Residents of Alumni,

Recently an incident occurred which was impactful for residents of your building and we would like to offer resources to the community.

This incident included vandalism on the bulletin boards that were themed around Black History Month. Pictures and posters were removed which was concerning. If you were impacted by this incident or have more information about it, please reach out to Veronica Roberts (veronica.roberts@uconn.edu)

As you move forward in immersing yourself in the community, please keep in mind that small actions have a major impact. We can be proactive to situations like this by making the following changes in our daily behaviors:

- Hold your peers accountable for their decisions;
- If you see something, say something- to your RA or your Hall Director;
- Remind your guests that you are responsible for their behavior and that you will not tolerate inappropriate acts within your community.
- If you encounter any bias related incidents within the community, please do not hesitate to report it through the bias reporting form. <https://dos.uconn.edu/bias-reporting-2/>

Let's demonstrate that Alumni is a community of acceptance and inclusion. If there is anything our staff can do to assist you, please feel free to contact us.
